Dear Prof Satyanarayana,

Audit of Annual Accounts of Indian Institute of Technology (IIT), Tirupati for the year 2018-19, was conducted during November/December, 2019. Significant comments on accounts are included in the Separate Audit Report issued separately to the Government of India, Ministry of Human Resource Development, New Delhi and a copy marked to you. Some of the observations, which were not included in the Separate Audit Report, meriting the attention of the Management are detailed below to enable your Office to take necessary corrective action

- 14.10.2020 →
1. Revenue expenditure of Rs.7,977 on coolant water was misclassified as capital expenditure by erroneous debit to renovations account in Schedule 4 resulting in understatement of revenue expenditure and overstatement of renovations to this extent.
  2. The difference of Rs.186.25 between closing balance of cash book (2017-18) and opening balance of 2018-19 needs to be reconciled.
  3. An amount of Rs.60,030 paid towards Children Education Allowance pertaining to 2017-18 were incorrectly booked as expenditure of 2018-19 and debited to the Income and Expenditure account of 2018-19 without classifying it as Prior Period Expenditure.
  4. Fixed assets:-
    - (a) This does not include fixed assets of Rs. 20,54,307 (vide annexure-I) which were incorrectly classified as renovations instead of Capital Expenditure. This resulted in understatement of fixed assets (Schedule 4) and Capital fund (Schedule 1) by Rs. 18,99,604. Consequently depreciation was also understated by Rs. 1,54,703.
    - (b) This does not include fixed assets of Rs. 22,91,029 (vide annexure-II) which were incorrectly classified under revenue expenditure instead of Capital expenditure. This resulted in understatement of fixed assets by Rs. 22,91,029. Consequently deficit was overstated by Rs. 22,91,029 leading to understatement of Capital Fund by Rs. 22.91 lakh. Consequently depreciation was also understated by Rs. 1,84,703.

5. Purchase of Computer hardware of Rs. 8,89,191 was misclassified as computer software resulting in excess depreciation of Rs. 1,77,838 due to incorrect adoption of depreciation rate of 40 percent applicable to computer software instead of 20 per cent applicable to computer hardware.

With Best Regards,

Yours sincerely,

Prof. K.N. Satyanarayana  
Director,  
Indian Institute of Technology,

Deputy Director/CEA

**Separate Audit Report on the Accounts of Indian Institute of Technology,  
Tirupati for the year ended 31 March 2019.**

We have audited the attached Balance Sheet of Indian Institute of Technology, Tirupati, for the year ended 31 March 2019, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

**2.** This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

**3.** We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

**4.** Based on our audit, we report that:

- i.** We have obtained all the information and explanations which to the best of our knowledge and belief, were necessary for the purpose of our audit;
- ii.** The Balance Sheet, Income & Expenditure Account and Receipts & Payments account dealt with by this report have been drawn up in the format of accounts approved by Government of India, Revised Format of Accounts, prescribed by Ministry of Human Resource Development, applicable for Autonomous Bodies(ABs)

and Central Higher Educational Institutions (CHEIs) under its Administrative control.

iii. In our opinion, proper books of accounts and other relevant records have been maintained as required, in so far as it appears from our examination of such books.

iv. We further report that:

#### **Comments on Accounts**

##### **A. Balance Sheet**

###### **A.1 Liabilities**

###### **A.1.1 Earmarked Fund Rs. 118.95 crore (Schedule 2)**

HEFA<sup>1</sup> had sanctioned (July 2018) a term loan of Rs. 275 crore for construction of permanent campus of the Institute, against which disbursement of Rs. 119.86 crore was made for payment in r/o capital expenditure on behalf of the institute till 31.03.2019. MHRD format prescribes that in case an outside agency gives loan to the Institute, it should be shown under a new head 'Secured Loan'. However, Institute has wrongly depicted the capital expenditure from HEFA Loan at Rs.118.95 crore in the Earmarked Fund instead of Rs. 119.86 crore. The balance amount of Rs. 91.28 lakh which was incurred on capital expenditure/purchase of assets was neither shown in Earmarked Fund (Schedule 2) nor under Fixed assets (Schedule 4). Hence, capital expenditure out of HEFA loan amounting to Rs. 119.86 crore was wrongly depicted at lesser amount than actual in the 'Earmarked Fund' instead of creating a new head under the liabilities as 'Secured Loans' amounting to Rs. 119.86 crore. This resulted into overstatement of 'Earmarked fund' by Rs. 118.95 crore, understatement of Fixed Assets by Rs. 91.28 lakh and understatement of 'Secured Loans' by Rs. 119.86 crore.

**A.1.1.2** Opening balance of sponsored projects (Schedule 2A) was depicted as Rs. 47,96,443 instead of Rs. 52,20,477 though commented in previous year's Separate Audit Report of 2017-18. Also, the schedule did not take into account grants of Rs. 2,99,38,198 received from sponsored projects, capital expenditure amounting to Rs. 1,27,15,533, revenue expenditure amounting to Rs. 1,16,71,292 and overheads valuing Rs.13,44,829. Further, an amount of Rs.1,65,229 directly credited in the bank

---

<sup>1</sup> Higher Education Financing Agency

account was not taken into Sponsored Project accounts even though it pertained to 2018-19. Hence, closing balance was also wrongly depicted same as opening balance i.e. Rs. 47,96,443 instead of Rs. 95,92,250 after taking into account above adjustments.

This resulted in understatement of Sponsored Projects and the corresponding Investments by Rs.47,95,807 (Rs. 95,92,250 – Rs. 47,96,443)

**A.1.1.3** According to para 9.2 of Significant Accounting Policies (Schedule 23), government grants and grants from UGC to the extent utilized towards capital expenditure (on accrual basis) are transferred to Capital Fund. Contrary to this, the Institute transferred total grants of Rs. 74.50 crore received from MHRD instead of grants valuing Rs. 23.92 crore utilized for capital expenditure. This resulted in overstatement of capital Fund and understatement of current liabilities by Rs. 50.58 crore

## **A.1.2 Current Liabilities and Provisions**

### **A1.2.1 Sponsored Projects:**

This does not include outstanding interest of Rs. 1,32,73,902 on the HEFA loan component to the end of March 2019. This resulted in understatement of current liability and expenditure/deficit of Rs. 1,32,73,902.

## **B. General**

1. Grants of sponsored projects Rs. 95.92 Lakh were kept in zero interest current account in violation of terms and conditions of sponsored projects which are to be kept under interest earning bank accounts.
2. Overheads of Rs. 13,44,829 on sponsored projects though calculated by the Institute were neither approved and not shown in the accounts.
3. Staff payments and benefits (Establishment expenses) Schedule 15 needs to be reconciled with Receipt and Payment Account.
4. Stale cheques of Rs. 3,07,299 were not reversed.
5. Unutilized grants need to be depicted under ‘Unutilized Grants’ from UGC, Government of India and State Government (Schedule 3) and included under ‘Current Liabilities and Provisions’ (Schedule 3) as required under MHRD format of Accounts.

6. Physical verification of furniture, fixtures and fittings and inventory was not conducted for the year 2018-19.
7. There is no Internal Audit Wing and internal audit for the year 2018-19 was not conducted.
8. Schedule 3C – Unutilized grants, Schedule 5 – Investments from earmarked funds, Schedule 6 – Investment –others and Schedule 10 – Grants / Subsidies (Irrecoverable grants received) have not been maintained as stipulated by MHRD format.
9. Separate accounts for NPS and GPF accounts were not maintained.
10. Staff payments and benefits (Establishment expenses) were not classified separately for teaching and non-teaching staff.
11. Term deposits with schedule and other banks are exhibited as Annexure to Schedule 5 and 6 instead of Schedule 7.
12. No provision for retirement benefits has been made in accounts in contravention of Accounting Standard 15 issued by ICAI.
13. According to para 9.3 of Significant Accounting Policies (Schedule 23), Government grants for meeting revenue expenditure (on accrual basis) are treated to the extent utilized as income of the year in which they are realized. Contrary to this, Institute while arriving at the surplus/deficit excluded revenue grants and revenue expenses from grants.

#### **C. Grants-in-aid:**

Out of total Grants-in-aid of Rs.74.50<sup>2</sup> crore received (including accrued grant of Rs.2.50 crore) during the year together with unutilized balance of Rs.2.87 crore pertaining to previous year and internal receipts/interest earned of Rs.3.69<sup>3</sup> crore, totaling to Rs.81.06 crore, the Institute utilized a sum of Rs.69.50<sup>4</sup> crore, leaving a balance of Rs.11.56 crore unutilized as on 31 March 2019.

#### **D. Management Letter:**

Deficiencies which have not been included in the Separate Audit Report have been brought to the notice of the Director, IIT, Tirupati through a management letter issued separately for remedial/corrective action.

---

<sup>2</sup>Non-recurring Rs.16,66,20,000 and Recurring Rs. 57,83,80,000

<sup>3</sup>Academic receipts Rs. 2,67,45,697, Income from investments Rs. 42,65,018 and Other income Rs. 59,37,355

<sup>4</sup>{Total Capital Expenditure Rs. 1,43,77,54,740 (-) HEFA Component 119,86,04,474 = 23,91,50,266.} + Revenue Expenditure Rs.45,58,58,471 = Rs.69,50,08,737

v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this Report are in agreement with the books of accounts.

vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report , give a true and fair view in conformity with accounting principles generally accepted in India:

a. In so far as it relates to the Balance Sheet, of the state of affairs of Indian Institute of Technology, Tirupati, as at 31 March 2019; and

b. In so far as it relates to Income & Expenditure Account of the *deficit* for the year ended on that date.

Director General of Audit (Central)
