Ideas--> Screening--> Meeting-->Selection

Contest at a glimpse!

The Pre-incubation cell at IIT Tirupati invites the application from students, stating their innovative technical idea succinctly, as described in the format of the attached annexure. After a thorough evaluation of the application received from students, based on technical merit and business viability, IIT Tirupati will facilitate innovators and researchers to turn their ideas into a commercial venture. Since innovation has no limits, thus anyone can come up with a novel business idea and seek technical guidance in any domain.

Objective:
To nurture and promote technologically innovative ideas from students with business potential
